

ELKAY[®]

sinks + faucets

CASCADE by Fu-Tung Cheng

DESIGN
Inspirations[™]

BY FU-TUNG CHENG + JAMIE DRAKE

RAINDROPS by Jamie Drake

Practical and poetic.

Cascade transforms the sink into part of the whole culinary experience.

Inspired by sculpted surface planes, guiding water over a ledge to emulate a waterfall, Cascade features a large, modern rectangular single bowl with a softly angled drainboard.

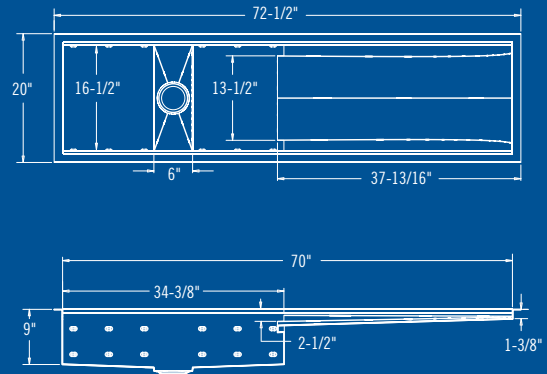

The layered, moveable colander and cutting board create interactive work surfaces to enrich the emotional ergonomics of the sink.

Timeless, imaginative design intelligence from Fu-Tung Cheng.
