HOME AND GARDEN

Cold as Ice Since frozen foods have become much more common in our homes, it is no wonder that large, stand-up freezers are in high demand. With this huge freezer, you can feel free to stock up on all of your favorite foods. Complete with a soft freeze compartment and adjustable organizers for boxed foods, this freezer will be able to handle all the food you want. Made by Frigidaire. Available from Ferguson Enterprises, 615.385.3054.

Touch and Go Have your hands full in the kitchen? Luckily, this faucet can accommodate your hectic life. The Touch2O Technology allows you to touch any part of the faucet to turn it on and off; to adjust temperature and flow with the side handle; and to use the sink more easily with the high arc spout and the pull-out faucet. For more information, visit www.deltafaucet.com/Touch or call 800-345-DELTA.

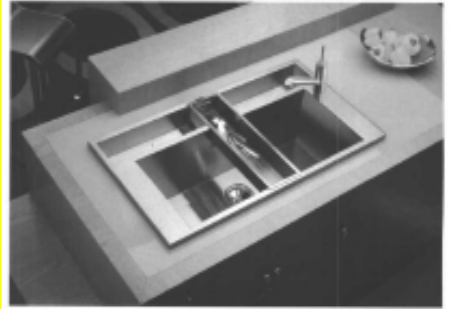

Hot Stuff While you've probably seen the Kelly Ripa ads, it is still important to spotlight these new Induction Cooktops. Their ability to boil water in 90 seconds and have a compatibility with almost all cookware, and their appealing design combine to create a great product. Whether you're on the go, or take great care in your cooking, this is a must-have. Made by Electrolux. Available from A-I

Chill Out This EZ Klean Refrigerator combines the best quality and style you could want. Trendy French doors opens to a spacious interior, while the outside has an innovative electronic interface with water and ice dispensers. Made by Fisher & Paykel. Available from Cenwood Appliance, 615.256.8606.

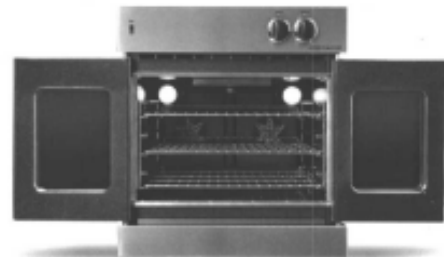

Water Works Get your kitchen flowing with this distinct sink. Its spacious basin gives plenty of room for cooking or cleaning, while giving a modern and sleek look to your countertop. Made by Elkay. Available from Ferguson Enterprises, 615.385.3054.

What's Cookin', Good Lookin'?

BY SUZ VAN SOOLE
