

## Record Number of Sponsors Support Industry Education Through 2007 PHCC Educational Foundation Golf Tournament

Representatives from a record fifteen sponsor companies joined other manufacturer and wholesaler representatives and members of the Plumbing-Heating-Cooling Contractors-National Association (PHCC) to get the PHCC annual convention and Network '07 event week off to a swinging start at the PHCC Educational Foundation's Golf Tournament, Oct. 24<sup>th</sup> at the Black Gold Golf Club in Yorba Linda, California. Seventy-two golfers participated in the event.

The annual tournament is a fund-raising event for the PHCC Educational Foundation, with proceeds going to aid the Foundation's mission of providing high-quality business management education to the p-h-c industry. Although no players won the annual

\$20,000 hole-in-one prize, every player went home with other prizes or new golf merchandise, thanks to several generous sponsors who helped to make the tournament a success.

More sponsors than ever before stepped up to make this year's tournament a success: **Anaheim Manufacturing** provided golf balls, tees and the prizes for a special drawing held at the tournament. **Charlotte Pipe & Foundry** and **Estimation, Inc.** generously provided player gifts for each golfer, with additional contributions from **Maxwell Systems, Inc.** Drinks on the course were provided by **Flkay Manufacturing**. **Flexcon Industries** sponsored longest drive and closest-to-pin contests. **Prudential Overall Supply** and **Relining Technologies**

also sponsored contest holes. **Armstrong Pumps** and **Moen Incorporated** sponsored the player's lunches and the beverages served at the tournament awards reception and **Rheem Water Heaters** sponsored the hole-in-one contests for the event. **Sloan Valve Company** sponsored the golfers' transportation for the day. **Commercial Van Interiors**, **Emergency Services Restoration**, **Grinnell Mechanical Products** and **Lidmate, Inc.** also sponsored holes at the tournament.

The PHCC Educational Foundation is dedicated to developing and delivering powerful business management educational programs to p-h-c
