

Sink extends living space

The Pursuit sink family extends a home's living space into the patio, mud room, greenhouse and beyond. Made of heavy-duty stainless steel with boosted anti-corrosive properties and Sound Guard Plus undercoating, Pursuit sinks are designed to meet the demands of intensive tasks such as laundry, pet cleaning and home improvement clean-up. Featuring spacious, deep bowls and a finish that can withstand harsh cleaning agents, Pursuit sink family is designed to last a lifetime. **Elkay.**
