## Elkay® Plumbing Products Announces Three Promotions

Elkay Manufacturing Company's Plumbing Products Division (PPD), which manages the company's marketing of residential and commercial sinks, faucets, water coolers and accessories, announced changes to its sales department with three promotions within the organization.

Mark Whittington will manage the sales organization in his new role as senior vice president of sales with the goal of continuing to drive gains in market share.

*Mark Whittington*

*Ted Hamilton*

In Ted Hamilton's new role as director, trade sales and market development – West, he will continue to focus on developing strong market strategies and pursuing Elkay's sales growth objectives.

As the new director, trade sales and market development- East, Mike Purcell will continue to develop new initiatives and build relationships with key accounts to help grow sales for Elkay's PPD.

*Mike Purcell*

In 1999, Whittington joined Elkay as the Broadview plant manager. Whittington holds a Bachelor of Science from Illinois State University and a Masters in Business Administration from Northwestern University's Kellogg School of Management.

Since joining Elkay in 1992, Hamilton has held a variety of key roles from sales services to finance and materials management. Hamilton holds a Bachelor of Science from Valparaiso University and a Masters in Business Administration from DePaul.

Purcell started with Elkay as the eastern regional sales manager in 2005. Purcell holds a marketing degree from the University of Akron and a Masters in Business Administration from Ashland University.
