WRITTEN BY PETER WALSH

Program your favorite cycles from 22 options. In four colors including Mediterranean Blue (shown). From \$1,100. 877-435-3287; electroluxappliances.com.

ONTAP

These handy bottle toppers automatically measure the right quantity of oil, vinegar—whatever—to help you season recipes like a pro. GOOD&PLENTY

These little tiles from Ceramica di Treviso's Posa Romana collection make a big impact. In matte white, matte black and glossy black on a mesh backing, these 1/2-inch-square mosaics are eye candy for your kitchen backsplash or bathroom walls. \$30 per square foot. 212-979-6400; stonesource.com.

TWOFORONE

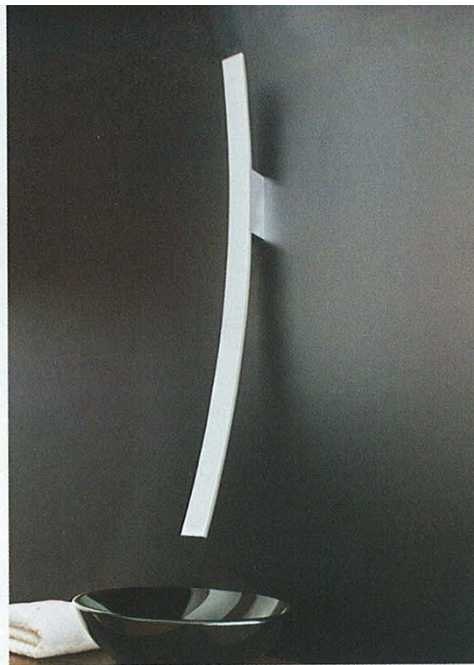

It's a handheld. No, it's a fixed showerhead. Actually, Alsons' In2ition is both. The handheld with up to five spray settings nestles in the center of a wide-spray fixed head. Users can remove the hand shower for washing hard-to-reach body parts or rinsing down the shower. As shown, in Mustang Red, the unit goes for \$225. 800-421-0001; alsons.com.

THE GOODS

ARCHRIVAL

Graff's dramatic Luna faucet swoops down your bathroom wall to fill your basin in style. The handles can be wall- or deck-mounted, and matching tub filler and shower are available. In polished chrome or satin nickel. \$3,165. 800-954-4723; graff-faucets.com.

ALLINONE

Induction cooking uses electromagnetic energy to heat the cookware, not the cooking surface, while providing control comparable to gas burners. Until recently, it was only available in separate cooktops. The Kenmore Elite brings it all together in a 30-inch free-standing range with a convection oven and warming drawer. \$900. sears.com.

WASHEDUP

The Mystic Twist sink softens traditional square or rectangle sinks and updates the kitchen, bar or bathroom with a striking shape that swirls water to the drain. Available in a textured or satin finish with an optional cutting board for prep sinks. \$850 to \$1,200. 800-223-5529; elkayusa.com. ♦
