**LCR**

Warehouse/LCR is proud to once again be associated with the Acadian Home Builders Association's Parade of Homes.

Since 1938, The Plumbing Warehouse/LCR has been supplying

Lafayette with quality plumbing products. Whether you are building a new home, remodeling, or just looking to change out that old leaky faucet or water heater, The Plumbing Warehouse is the place to fulfill all of your plumbing needs. With stores located in Louisiana, Texas, Arkansas and Mississippi, they serve plumbers, builders, & homeowners throughout the south. Their commitment to their customers is to provide spectacular service at a competitive price.

The Plumbing Warehouse/LCR is Lafayette's premier supplier of Kohler plumbing products, and their collective Kohler inventory is one of the largest in the U.S. You can view the bold look of Kohler in their state-of-the-art showroom at 3201 Ambassador Caffery Pkwy. They also proudly feature products by Jacuzzi, Delta, Price Pfister, Hansgrohe and Elkay.

Many of the builders in the Parade of Homes have chosen to display Plumbing Warehouse products in their houses. Design and function in plumbing fixtures have become an important factor in today's homes and is reflected in the choices made by the builders over the last few years. The Plumbing Warehouse/LCR is very happy to be an integral part of the 2009 Parade of Homes.
