MODEL 3800

Belt Drive with EverCharge™ Battery Backup

For consumers who want a higher level of security and uninterrupted convenience, we offer a garage door opener that continues working, even without power.

DC belt drive system. Fully integrated battery backup. Variable speed soft start/soft stop. Lifetime motor and belt warranty. Patented MVIS® system for reduced noise.

3/4 HP Heavy-Duty Chain Drive

For those who love the curb appeal of carriage house doors, an opener made to open them day after day.

Rigorously engineered 3/4 HP motor. Rugged chain drive system. Ultra-rigid, heavy-duty rail. 2-speed dual sprocket. Patented MVIS® system for reduced noise.

3/4 HP Belt Drive

For those who favor stealth and speed, an opener that expertly blends power and quiet.

Powerful 3/4 HP motor. Quiet belt drive. Patented MVIS® system for reduced noise. Unsurpassed lifetime motor warranty.

3/4 HP Chain Drive

Designed for chain drive loyalists who need more power, as well as the reliability of chain drive systems.

Rigorously engineered 3/4 HP motor. Rugged chain drive system. Patented MVIS® system for reduced noise. Improved cold weather performance.

Residential Jackshaft Garage Door Opener

For consumers who simply need to save space, a better engineered solution to wall-mounted jackshaft openers.

Powerful DC motor. Low-profile design. Ideal for limited height, cathedral and obstructed ceiling installations. Variable speed soft start/soft stop. Cable tension monitor eliminates cable throw. Optional battery backup system.

The Only Professionally Installed Garage Door Openers with 3/4 HP Strength

Innovative technologies have always been at the core of our brand.

Technologies that make people feel safer. That keep them more secure. And that get them in and out of their garage and home effortlessly. These qualities remain at the heart of every Elite Series opener we sell.

ELITE SERIES

THE PERFECT MERGING OF TECHNOLOGY AND LIFESTYLE.

Our highest expression of innovation and performance. Ideal for your select customers.

ELITE SERIES

Our highest expression of innovation and performance. Designed for the way more people live.

LiftMaster® Elite Series is where you'll find our finest products and most advanced innovations. What's more, each model is uniquely designed with qualities that set it apart. So, no matter what upper-tier consumers desire in a garage door opener, they'll be able to find it here.

LiftMaster® Elite Series is positioned to appeal to an ever-growing segment of consumers who demand the very best, the most innovative and feature-rich products. Designed to set you apart and provide your customers with the new standard in garage door openers.

CONTROLS THAT DO MORE

Fully accessorized.

Every Elite Series opener comes standard with cutting-edge accessories for the ultimate in garage access.

Our Premium Remote is one cool control. A wave of the hand automatically illuminates the remote's brilliant lights...which then flash to indicate a signal has been sent.

Our new Smart Control Panel™ now gives you the time and temperature, plus diagnostic information about the opener in three languages...displayed on an illuminated display panel.
