## Bottle Service

FRAGRANCE: *D&G*

You've got a mish-mash of fragrances - one for work, one for play, one for dates, one for ... you get the picture. Reduce the clutter and line up the five new fragrances by D&G, each designed for a different mood. Do you want to smell "enigmatic?" How about "ragingly passionate and enviably cool?" Or, "flamboyant and energetic?" Simply assess your frame of mind and choose a fragrance. All five are unisex. \$65 each. Available at Nordstrom and top beauty Web sites. -MJ

## Fu-Tung Plan

HOME: *elkay*

Never before has multi-tasking been so paramount in people's lives. From Twittering while working to chopping veggies while washing others. *Elkay* Design Inspirations recently asked Berkeley-based designer and architect Fu-Tung Cheng to create a multi-purpose work surface for home kitchens. The result is a single space for rinsing, chopping, disposing, washing, and drying, all while updating your Twitter. \$5,082. -MJ

## Brace Yourself

FASHION: *cartier*

One hundred years ago, a Frenchman by the name of Pierre Cartier opened a little store in New York bearing his surname. Now it's the gold standard for all things, well, gold, silver, or otherwise sparkly and decadent. In honor of its centennial anniversary, Cartier has introduced a limited-edition collection that includes new gem-studded LOVE bracelets, \$36,200, in a multitude of colors and options. -LS
