Robinson Supply Hosts Annual Trade Show

Another great Trade Show and a good time was had by all at the Annual Product Trade Show hosted by Robinson Supply Co. More than 900 people from three states traveled to be part of the September 10, 2009 festivities.

As a reward for their travel, Robinson's customers enjoyed the biggest Robinson Supply Product Trade Show yet; with over sixty manufactures exposition booths featuring state of the art plumbing, heating and cooling equipment. Customers were treated to special pricing, product demonstrations and a great meal from the staff at Whites Restaurant. Customers were looking forward to next years event. The highlight of the days events were the training sessions; new sheet metal regulations; cool smart & gas networks; Wardflex training class and Prestige condensing boiler training. Robinson Supply Co. continues to help educate their customers with similar training events throughout the year.
